

Billing

1.) Select a plan.

After your trial you can choose from any of our plans. When you subscribe enter a credit card and will bill you at the end of the month for time used or in increments of \$20 which ever is first. You can cancel at any time and any balance you have used at the time of cancellation will be charged to your credit card. Secure, credit card processing, billing and payments are handled by industry leader stripe.com. If you have any questions or issues billing please contact us and we will respond within one business day.

2.) Billing - After your first month as a subscriber you will see summaries of your usage and cost on a month to month basis. You can also get a running total of expenses by [downloading a csv file](#) from the Job History page.
